**Location:**

Just 55 miles from London, Brighton is one of England’s most renowned seaside resorts. It became popular in Victorian times when the Royal Family used to come down to “take the sea air”. The Royal Pavilion remains as a historic landmark to this day.

The Lanes, an area of narrow walkways boasting a range of designer shops, jewellers and antiques, is much visited as are the Pier and the SeaLife Centre with its fascinating display of marine fauna. Our school is based at Roedean, one of the UK’s best known and prestigious independent girls’ schools which occupies a commanding position overlooking the sea at Brighton Marina about one mile to the east of the city centre. The Marina has a range of shops and leisure facilities include cinema and ten-pin bowling which can be reached by a short walk from the school.

**Accommodation:**

All bedrooms are comfortable and furnished with a wardrobe and bedside table for each student. While most are single study bedrooms there are also some small dormitories. Most of the accommodation is situated in the historic main building while two additional blocks of more recent construction are to be found at the eastern end of the campus. There are common rooms in each of the boarding houses.

**General Information:**

Roedean benefits from its superb location in over 100 acres of land with magnificent views directly overlooking the English Channel. The school offers outstanding facilities for a summer school programme. These include an indoor swimming pool, large sports hall, extensive playing fields and other green spaces, 17 tennis courts.

**Excursions:**

MW offers one half day trip and two full day trips per week including Brighton, Oxford, London and Salisbury amongst others.
