

# A Level Scholarships

Bellerbys College has a limited number of scholarships for A Level study to bright students who want to progress to top UK universities or to study medicine.

**Level of scholarships available: 20%, 40% or 70%**

Bellerbys College has an excellent track record at placing students from all over the world into the UK's leading universities. We only award scholarships to students we believe in. It's our way of acknowledging a student's outstanding academic performance in their current school and investing in their future.

For exceptional students wishing to progress to a top UK university, such as Cambridge or Oxford or looking to study medicine, we provide specialist preparation programmes designed to enhance understanding and UCAS applications.

## **We also offer the following scholarships:**

### **Donna Bull A Level Scholarship**

**Level of scholarship available: 50%**

A single scholarship is available for an academically gifted student to join the A Level Programme at Bellerbys College Cambridge to study medicine, science or engineering. This scholarship is awarded in memory of a respected teacher at Bellerbys College Cambridge who is remembered for her dedication and commitment to the advancement of young people through high quality education.

### **Yana Baranova A Level Scholarship**

**Level of scholarship available: 50%**

A single scholarship is available for an academically gifted student from Russia to join our A Level Programme. The scholarship is awarded in memory of Yana, a Bellerbys recruitment manager and ambitious young woman who showed considerable drive and passion for education and a willingness to help young students fulfil their dreams.

## **The application process**

If you would like to apply for one of our scholarships, you can do so through your agent or directly via [bellerbys.com](http://bellerbys.com). Guidance will be provided to make sure that outstanding students have every opportunity to show their potential and to make the whole process as easy as possible to complete successfully.

You will be asked to submit your academic records, an academic reference and explain why you would like to be considered for a scholarship. We will then conduct scholarship interviews.

**For all A Level Scholarships of 70% you will be required to sit tests.**
